

Join GOMMEA Today

The Gulf of Maine Marine Education Association (GOMMEA) is a network of scientists and educators in Northern New England and the Canadian Maritimes.

Our Mission is TO CONNECT PEOPLE TO THE GULF OF MAINE THROUGH EDUCATION AND EXPERIENCES.

We connect you to information and friendships that show you new and exciting things about the Gulf of Maine and its watershed to which we are all connected.

Join GOMMEA TODAY to be inspired and learn from local experts, get behind-the-scenes tours and discover what is happening in marine science and education in the Gulf of Maine region. To join or renew your membership, use the form below or sign-up at gommea.org/membership.

With your membership, you'll get:

- ★ Newsletters that fill you in on events, potential project partners, educational resources, and more
- ★ Alerts and discounts for GOMMEA events which include both networking and learning opportunities including Annual Meetings focused on relevant issues, field trips and tours, workshops, and lectures
- ★ A discount to join the National Marine Educators Association (NMEA) and all the benefits they offer
- ★ To be a part of the GOMMEA community

Membership Levels and Fees:

- Student - \$10
- Individual - \$20
- Family (2 adults + kids) - \$40
- Business/Organization (up to 3 representatives) - \$50
- Lifetime - \$250

Membership is by calendar year.
